RESPECT PERSONAL

RESPONSIBILITY PASSION

Education Review Office - Term 2 Visit

It was very exciting to have the Education Review Office team at the end of last term. They were impressed with the school's culture towards achieving 'Excellence for All' and how well our values of respect, personal responsibility and passion are embedded in all that we do. They acknowledged the hard work that has been done by the Board of Trustees, Leadership Team and Staff to create independent learner that are self motivation and engaged in their learning.

Special thanks to the parents/caregivers that attended the afternoon discussion with the Education Review Office team too. We really appreciated you sharing your experiences with OIS and the impact it is having on your child.

We look forward to receiving the detailed Education Review Office final report in six weeks.
