SPCA is offering **FREE** spaying, neutering and microchipping for cats in twelve Auckland areas from **11th – 29th March 2019**, and your school is situated within (or close to) one of our target suburbs.

Each year we receive thousands of unwanted cats and kittens at our Auckland Centre, and we would like to work together with the community to help stop the cat population growing.

We desperately need to reduce the number of kittens coming into our care and we would really appreciate if you could help. By working together we can reduce the number of unwanted kittens being born. Anyone who would like to take up the offer must call us to book their cat/s in. **The number to call is 09 256 7310.**

Bookings for this campaign are now open.
