Its an amazing experience going back to our old primary school and seeing our teachers again. We visited O.P.S and presented a slideshow on what life is like at Otahuhu Intermediate. One question that was asked, was - " What is the one special thing I like about Otahuhu Intermediate? "

Answer: " We have the best staff and teachers because they join in and play sports and do the fun activities with us ".

Question: " What advice would you give the year 6s when coming to Otahuhu Intermediate as a year 7? "

Answer: " Be confident and participate in everything for example trial for school sports, inter-class sports and other school wide activities eg Choir, Band, Chess Club, Latino Group, Bollywood Group, Breakfast Club, Office Monitor, Patrols.....

Answer: Don't be scared because you'll meet new friends and we are a whanau at OIS.

Ōtāhuhu Town Centre's 30km/h speed limit

Kia ora

There are new permanent 30km/h speed restrictions coming to your town centre shopping area to make this area safer for everyone.

Lowering the speed is about making Ōtāhuhu Town Centre safer for people in cars, shoppers, children and the elderly.

On Auckland roads in 2019, 40 people died and 567 were seriously injured due to speed. Everyone deserves to get home safely.
