

Dear Parents, Caregivers, Whanau and Students.

## **Kia Orana. Happy Cook Island Week.**

Congratulations to all our students on the way they have started Term 3. I have really enjoyed walking through classes over the first two weeks and seeing the excitement, passion and positive attitudes towards teaching and learning throughout the school. This week especially, I have been impressed with how many students have taken on extra-curricula activities to widen their passions. Well done to everyone! We are looking forward to hosting the National Science Roadshow at OIS on Monday, with all our students having the opportunity to have 'hands on' engagement with the 55 different science stations.

### **Student Led Conference Afternoon/Evening**

Our first written report student led conference evening is being held on **Thursday 12 August, between 1.00pm - 7.30pm. Please Note: School will be finishing at 12.30pm next Thursday.**

Your child should have already given you notification of this evening. I encourage you and your child to make an appointment to discuss your child's academic progress at OIS over the last two terms with their class teacher. Student led conferences are a wonderful opportunity for your child to celebrate and share their learning successes with you. Our student led conferences focus on the student sharing their learning journey, rather than the teacher talking to you about your child's learning.

If you are unable to attend the student led conference evening, then I encourage you and your child to make an appointment with their class teacher, so that a student led conference occur.

***Please Note: Your child's first written report will be given to you at the student led conference.***

### **Boys Hockey Team - AAIMS Interzone Tournament**

Congratulations to our OIS boys hockey team for participating in the Auckland Intermediate Interzone Hockey Tournament held at Rosedale Park, Albany on Wednesday. Our hockey boys performed amazingly throughout the day and certainly punched above their weight against most club based teams at the champs. The boys were praised numerous times throughout the day by other coaches and supporters for their individual skill level, as well as their positive attitudes and sportsmanship displayed during each game. We are very proud of these young men. I highly recommend that our parents look at getting these boys in to club teams as soon as possible. Thank you to all the parents and whanau that attended the day and supported this wonderful team. Well done boys, we are all extremely proud of you and your efforts.

Have a fantastic weekend.

Go the NZ Olympic Team and the All Blacks!!!

Brent  
PRINCIPAL

### **OIS BOYS HOCKEY**

Nga mihi nui to an exceptional team.  
 You had 100% teamwork and sportsmanship.  
 100 minutes of fast and highly skilled play.  
 Forcing your opponents into errors, saving a volley of attacks on goal, gaining recognition for your skills from many coaches and umpires.  
 You have held you heads high, challenged the best of the best and left nothing to chance.  
 Although coming 7<sup>th</sup> out of 8, every team we played felt the challenge of competing against OIS.  
 Your whanau/families, school and coach are incredibly proud of your achievement making the Interzone Auckland Championships in 2021.  
 Thank you to the huge turnout of supporters, this means a lot to your boys as they hear the cheers and encouragement from the side lines.

## **SPORTS CORNER**

### Rugby League (Boys):

**Trials Monday 9th August during Break time.** Reminder to have your boots, mufti clothes and mufti socks.

### SWZ Netball Tournament (Girls):

(David Lange Courts)

**Tuesday 10th August**

Remember to bring: Full PE gear, water bottle, packed lunch, shoes and wet weather clothing (black or navy blue pants or jacket) incase of rain.

Week 3, Monday the 9th of August Otahuhu Intermediate will be hosting The National Science Technology Road Show. The Roadshow provides quality interactive learning experiences in science, technology and innovation to New Zealanders. It has been doing so continuously since the first Science Roadshow 'hit the road' in 1988.

### **Manukau Harbour Dolphins Tag Football**

Based in Mangere. Looking for players interested in competing in the NZ Junior Tag Nationals in December, 2021. If there are any students interested in playing Tag Football this year please contact Whaea Grace for the link to register.

**OTAHUHU INTERMEDIATE SCHOOL ~ PB4L LESSON PLAN**

All teachers have taught our first lesson for PB4L and show how our expected behaviour is linked to our school values.

**To be an Active Listener at Otahuhu Intermediate School**

Staff and students will be aware of what an active listener looks like, sounds like and feels like in different settings in at OIS.

- Look at the speaker, - Respect for others
- Turn your body to the speaker - Respect for others, Respect for self, Personal Responsibility
- Have a quiet mouth until it is my turn- Personal Responsibility, Respect for self
- Stay on the topic when it is my turn to talk – Respect for self, Respect for others, Passion for learning.

Listen with your ears – Respect for self, Respect for others, Personal Responsibility, Passion for learning.

Discussion: At home talk about what 'Active Listener looks like at home.'

**REINZ & DRESSED FOR CONFIDENCE PROGRAMMES**
